## CONTRACT DESIGNER

### EMCOR SERVICES MESA ENERGY SYSTEMS

01.2019–07.2019

Graphics for building automation systems, including logo, splash screens, and floor plans. Control system panel assembly, and purchases.

## FREELANCE WEB AND UX DESIGNER

06.2017–Present

Working with a developer on multiple freelance projects. Content strategy, visual, UX design, accessibility and interaction design. Digital version of an intake assessment for tablet; and websites for non profit, performing arts, and a media production agency.

### APL NEXTED

02.2018–03.2018

Consulted with client to redesign registration flow and faculty profile pages. Reimagined dashboard layout including a calendar, and user flow for action items regarding compliance, course invitations, and compliance invites.

### JUAN BALIKBAYAN, INC.

07.2017–02.2018

Designed and built travel services website for an overseas client. Led project strategy, communication and documentation. Ensured that requirements were met for website build, and usability best practices were considered.

## PROJECT COORDINATOR

### AIGA SAN FRANCISCO

07.2017–09.2018

Utilized content and project management tools, and coordinated documentation and communications across the team and projects to produce the 2018 SF Design Week Website. Helped launch an overhaul of our project management workflow, using Airtable.

### THE UX DEPARTMENT

01.2017–06.2017

Conducted contextual inquiry, interviews and usability testing on proprietary CRM for the marketing sector. Documented the sessions, and collaborated with remote team to communicate about next steps.

### GLOBALITY

12.2016–03.2017

Provided administrative support to Design, Product, and Risk teams, and partnered with third-party vendors. Recruited research participants, scheduled and set up internal meetings. Used Cisco WebEX and Confluence.

## INSTRUCTION

06.2006–01.2016
EX'PRESSION COLLEGE, SF JAZZ, BECMI

Managed over 100 group projects in 5-8 week sprints, while ensuring compliance with timelines. A/V setup and technical support for media production classes. Led courses and workshops for class sizes of 6-25. Designed curriculum and collaborated with departments to improve our educational products.

## Skills

HCI, CX, IA, ID, UI/UX, Research, Office 365, Trello, Airtable, Google Drive and Forms, Dropbox, Atlassian Jira and Confluence, Screenflow. Wordpress, GitHub. Agile, Lean methodologies.
